#### Trip Cancellation/Trip Interruption

In the event You are prevented from taking Your Trip because: (a) You, a Traveling Companion, or an Immediate Family member suffers an Injury, Sickness, or death; or (b) You or Your Traveling Companion: (i) is hijacked, quarantined, required to serve on a jury, or subpoenaed as a witness in a legal action in which You or Your Traveling Companion is not a party; (ii) has a home made uninhabitable by fire, flood, volcano, earthquake, or other natural disaster; or (iii) is directly involved in a documented traffic accident while en route to point of departure; or (c) a Travel Supplier, other than with whom You have directly booked Your Trip, is unable to deliver contracted prepaid and pre-booked trip arrangements solely due to the Financial Insolvency of that Travel Supplier **and You have purchased this plan within 14 days of initial Trip deposit or initial payment of Your Trip**; or (d) Terrorism occurs in a country which is part of the Trip that causes the United States Department of State to issue a travel warning that You should not travel within that country for

a period of time that would include the Trip; or (e) arrangements are canceled by a cruise line due to inclement weather, mechanical breakdown, fire or other disablement of the ship on which You are scheduled to travel. Itinerary changes by the cruise line are not covered; (f) weather which causes complete cessation of services of Your Common Carrier for at least 48 consecutive hours; or (g) cancellation due to Job Loss; benefits will be paid up to the amount listed in the Schedule of Coverages.

**Important:** In all circumstances, benefits do not apply for Financial Insolvency if Financial Insolvency occurred, or a petition for bankruptcy protection was filed by the Travel Supplier, before Your effective date of coverage, or a Financial Insolvency occurs within 10 days of Your effective date of coverage. **Benefits only apply when You have purchased this plan within 14 days of the initial Trip deposit or the initial payment of Your Trip.**

You, Your Traveling Companion and Your Immediate Family member booked to travel with You must be medically capable of travel on the day You purchase this plan. All reasons for cancellation or interruption of Your Trip must first occur after Your effective date of Trip Cancellation benefits (see "Term of Benefits" on Page 8).

Benefits payable include:

**Trip Cancellation** – non-refundable cancellation charges imposed by Your NTA Member Tour Operator and/or airfare cancellation charges for flights joining or departing Your Land/Sea Arrangements, provided that the cost of these flights has been included in the total Trip cost for purposes of determining the applicable plan cost; or the additional costs You may incur as a result of a change in the per-person occupancy rate of prepaid travel arrangements if a Traveling Companion cancels his/her Trip for a covered reason and You do not cancel.

**In no event shall the amount reimbursed exceed Your total Trip cost. Note: Maximum benefit is \$10,000.**

**Trip Interruption** – unused, non-refundable land or sea expenses prepaid to Your NTA Member Tour Operator for Your Trip and/or the airfare paid, less the value of applied credit from an unused return travel ticket, to return to Your city of residence or rejoin the original Land/Sea Arrangements (limited to the cost of one-way economy airfare by a scheduled carrier, from the point of destination to the point of origin shown on the original travel tickets). Benefits will also be provided, up to \$100 per day, for reasonable additional accommodation and transportation expenses incurred to remain near a traveling Immediate Family member or Traveling Companion who is hospitalized during Your Trip.

**In no event shall the amount reimbursed exceed Your total Trip cost. Note: Maximum benefit is \$15,000.**

**Special Conditions:** You must advise Your NTA Member Tour Operator and Berkely as soon as possible in the event of a claim. Benefits will not be paid for additional charges incurred that would not have been charged had You notified these parties as soon as reasonably possible.

#### **Travel Delay**

Benefits will be paid for Eligible Expenses, up to \$500 per person (\$1,000 for Enhanced Plan), if Your Trip is delayed for 12 hours

or more en route to or from Your Land/Sea Arrangements due to inclement weather, strike or other job action, or equipment failure of a Common Carrier; a traffic accident en route to a departure in which You or Your Traveling Companion is not directly involved; lost or stolen passports, travel documents, or money; quarantine; hijacking; natural disaster; civil commotion or riot.

*Eligible Expenses* include any prepaid, unused, non-refundable Land/Sea Arrangements, any reasonable additional expenses for meals and lodging, and the cost of a one-way economy airfare ticket to catch up to the Land/Sea Arrangements or return to the place of origin shown on the travel documents. This benefit is in excess of any reimbursement provided by a Common Carrier or another party at no cost to You.

## **Part B. Medical Protection**

### **Emergency Evacuation/Repatriation of Remains**

Benefits will be paid for Eligible Expenses up to \$50,000 per person (\$100,000 for Enhanced Plan), if an Injury or Sickness commencing during the course of the Trip results in Your necessary Emergency Evacuation. An Emergency Evacuation must be ordered by a legally licensed Physician who certifies that the severity of Your Injury or Sickness warrants an Emergency Evacuation. Emergency Evacuations must be verified, approved, and arranged in advance by On Call International. Repatriation of Remains benefits will also be provided for Transportation to return Your body to Your point of origin in the event of Your death during Your Trip. Benefits will not cover any expenses provided by another party at no cost to You or already included in the cost of the Trip.

*Emergency Evacuation* means: a) Your medical condition warrants immediate Transportation from the place where You are injured or sick to the nearest hospital where appropriate medical treatment can be obtained; and/or b) after being treated at a local hospital, Your medical condition warrants Transportation to Your origination point to obtain further medical treatment or to recover.

*Eligible Expenses* are reasonable and customary expenses for Transportation, medical services, and medical supplies necessarily incurred in connection with Your Emergency Evacuation AND recommended by the attending Physician. All Transportation arrangements made for Your evacuation must be by the most direct and economical route possible. Expenses for Special Transportation must be:

- a) recommended by the attending Physician;
- b) required by the standard regulations of the conveyance transporting You; AND
- c) verified, approved, and arranged in advance by On Call International.

*Transportation* means any land, water, or air conveyance required to transport You during an Emergency Evacuation. *Special Transportation* includes, but is not limited to, air ambulances, land ambulances, and private motor vehicles.

*Additional Covered Expenses:* If You are hospitalized for more than seven days following an Emergency Evacuation, benefits will be paid: (a) to return Your accompanying dependent children under age 25 to their home, limited to the cost of one-way economy airfare, less

the value of applied credit from an unused return travel ticket, with an attendant if necessary; and/or (b) up to the cost of round-trip economy airfare to bring a person chosen by You to and from Your bedside if You are alone. These expenses must be authorized in advance by On Call International. Benefits will not be paid for expenses provided by another party at no cost to You or already included in the cost of the Trip.

*Repatriation of Remains* means the cost, according to airline tariffs, of the shipment of Your deceased body to the point of origin shown on the original travel tickets. *Eligible Expenses* include, but are not limited to, expenses for embalming, cremation, coffin for repatriation, and Transportation.

**Note:** In no event will Eligible Expenses for Emergency Evacuation/Repatriation of Remains exceed the amount listed in the Schedule of Benefits.

### **Accident & Sickness Medical Expense**

Benefits will be paid, up to \$10,000 per person (\$20,000 for Enhanced Plan), if You incur necessary Eligible Medical Expenses as a result of an Injury, or as a result of Sickness, occurring while on Your Trip. The accident causing such Injury must occur while You are covered under the plan, and the Sickness must first occur during Your Trip. You must receive initial treatment within ninety (90) days of the accident which caused the Injury or the onset of the Sickness. All services, supplies, or treatment must be received within fifty two (52) weeks of the date of the accident or the onset of the Sickness.

*Eligible Medical Expenses* are necessary services and supplies which are recommended by the attending Physician. They include the services of a legally qualified Physician, surgeon, graduate nurse, dentist, or osteopath; charges for hospital confinement and use of operating rooms; charges for anesthetics (including administration, x-ray examinations or treatments, and laboratory tests); ambulance service; drugs, medicines, and therapeutic services and supplies. Benefits are not paid in excess of the reasonable and customary charges commonly used by providers of medical care in the locality in which the care is furnished.

**Important:** Benefits are subject to the Pre-Existing Condition Exclusion detailed below and other exclusions listed on Pages 6 & 7.

#### **Pre-Existing Conditions**

Benefits will not be paid under Parts A & B (except Emergency Evacuation and Repatriation of Remains) for any claims arising from any Injury, Sickness, or other condition affecting You, a Traveling Companion, or an Immediate Family member booked to travel with You which, within the 60-day period before Your Trip Cancellation Benefits began under this plan:

- (a) first manifested itself, became acute, or had symptoms which would prompt a reasonable person to seek diagnosis, care, or treatment;
- (b) required taking prescribed drugs or medicine, unless the condition for which the prescribed drug or medicine was taken remained controlled without any change in the required prescription; or
- (c) required treatment or treatment was recommended by a Physician.

We will **WAIVE** the above Pre-Existing Condition exclusion if:

1. You pay the plan cost associated with this benefit,
2. The appropriate plan cost has been provided to the NTA member Tour Operator within fourteen (14) days of the date You make deposit or initial payment for Your Trip, AND
3. You purchase coverage for the full cost of Your Trip.  
**Satisfaction of this prerequisite will be verified during claim processing.**

## **Part C. Baggage Protection**

Benefits will be paid, up to \$1,500 per person, for loss, theft, or damage to Your baggage and/or personal effects occurring during Your Trip. Benefits will be paid for the lesser of the following: original cash value of the item less depreciation as determined by the Administrator; or cost of repair or replacement. The maximum benefit per article is \$250. There will be a combined maximum limit of \$500 for the following: jewelry; watches; articles consisting in whole or in part of silver, gold, or platinum; furs, articles trimmed with or made mostly of fur; and cameras and their related equipment.

### **Baggage Delay**

You will be reimbursed for expenses of necessary personal effects, up to \$500 per person, if Your checked baggage is delayed or misdirected by a Common Carrier for more than 24 hours from the time You arrived at the destination stated on Your ticket. You must be a ticketed passenger on a Common Carrier.

### **Excess Insurance Provision**

The benefits provided under Parts A, B, and C shall be in excess of all other valid and collectible insurance or indemnity and shall apply only when such other benefits are exhausted. Recovery of losses under Parts A, B, & C from other parties does not result in a refund of your plan cost.

You may have coverage from other sources that provides you with similar benefits but may be subject to different restrictions depending upon your other coverages. You may wish to compare the terms of this policy with your existing life, health, home and automobile policies. If you have any questions about your current coverage, call your insurer, insurance agent or broker. The purchase of this plan is not required in order to purchase any other travel product or service offered to you by your travel retailers. Unless individually licensed as an insurance agent, your travel agent is not qualified or authorized to answer your technical questions about the benefits, exclusions or conditions of this plan or to evaluate the adequacy of any existing insurance coverage you may have.
